Prayer was by Chief Depew followed by the Pledge of Allegiance.

Mayor Wells opened the floor for the first section of citizen comments. There were none.

Mayor Wells opened the floor for discussion/action on the K-9 Police Cruiser. Chief Depew explained that the engine seized up on the cruiser and it would cost \$6,258.00 to install a new Jasper engine in the cruiser. Chief Depew reported that the work would be done by Andes Transmission. Chief Depew explained that he had originally took the cruiser to Carl Gregory and they said that the water pump was leaking and the water going back onto the engine is what seized it up. Chief Depew stated that he had to call Carl Gregory several days later as they had not contacted him about the cruiser and that is when they told him. Carl Gregory said that it would cost \$8,000.00 plus to install a new engine. Chief Depew said he had the cruiser towed off the Carl Gregory lot as he had his suspicions with regard to this matter but he was not accusing anyone of anything. Mr. Frye told Chief Depew to make sure to get a warranty in writing on the engine. Chief Depew said that he would.

Alderman Leonard made a motion to approve \$6,258.00 to install a new engine in the K9 police cruiser and the repairs are to be done by Andes Transmissions. Second by Vice-Mayor Harrington. All voted in favor, motion carried.

Alderman Leonard left the meeting.

Mayor Wells opened the floor for the second section of citizen comments. There were none.
